About the Organization: Metro CareRing is a non-profit organization, operating one of the largest food pantries in the state of Colorado. Serving the the most marginalized in our communities for over 36 years, Metro CareRing operates through the dedicated efforts of over 150 volunteers and a small paid staff.

This model of service allows for the majority of the budget to be focused on outreach services which include the following: food and toiletries, identification documents, job readiness items, utility and transportation assistance, and referrals to other agencies.

Mission Statement: Metro CareRing works with families and individuals to meet basic needs and help advocate for solutions to hunger and poverty. We assist people through times of crisis and provide resources for self-reliance.
